

We are looking forward to your visit!

We want to ensure you have a pleasant and safe stay with us. Therefore, the health of our visitors and our employees are our top priorities.

Our safeguard measures for visitors

Few days before your visit

We are more than happy to help you to find an **accommodation** nearby and take care of your **catering**. Your physical well-being is another top priority for us.

Some days before your visit we will send you a **contact form** that we kindly ask you to fill out and take with you to your visit.

48hrs before your visit

We kindly ask you as well as our employees, who will welcome you at our premises to present a **negative COVID-19 test** (no older than 48hrs) on the day of your visit.

On the day of your visit

We would like to take yours and our employee's **temperatures** upon your arrival. A short **smell test** would also be conducted. The results will be documented on your **contact form**. We will store this form for 4 weeks and destroy it afterwards.

We are looking forward to your visit and working with you together!

We are looking forward to your visit!

Our safeguard measures at our premises

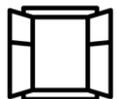

Face masks are **mandatory** at our premises. Medical masks will be provided for all visitors and employees.

We kindly ask all people on our premises to take care of an adequate **hand hygiene**. Please disinfect your hands when entering our building at one our **disinfectant dispensers**.

To protect you and others, we ask all people on our premises to keep a **minimum distance of 1.5 metres** to each other.

It is also important to **frequently ventilate** the rooms. This should be done every hour for about 2 to 5 minutes.

Our premises are **frequently cleaned** and **disinfected** by us and a professional cleaning company.

Shifted breaks and home office for our employees **reduce the number of potential contacts** at our premises.
